Digital Game Design & Board Game Design

Jury Evaluation Criteria
(**Junior vs Senior** – Gold : 100 – 91 / Silver: 90-81 / Bronze: 80-65)

Criterion	Junior Points	Senior Points
Original Idea / Innovation (Is the idea new or an improved version of an existing game concept?)	15	15
Presentation Techniques (Do students demonstrate strong understanding of the game? Are rules, mechanics, and gameplay explained clearly? Are language skills effective? Is the presentation well-structured? Are questions answered satisfactorily?)	15	15
Poster & Table Design (Are required sections included as shown on the website? Are game visuals, components, or digital interfaces clearly presented? Is the table informative and well-prepared for demonstration?)	10	10
Implementation / Realization (How well has the idea been realized? Is there a playable game or prototype? Does it function properly? Is the gameplay clear, engaging, and usable? Is there visible effort and development?)	20	20
Methodology / Process (The evaluation focuses on how the game was planned and developed, including testing and refinement of rules, and the use of appropriate design approaches.)	15	15
Impact / Relevance (Does the game engage and entertain users effectively? Does it provide educational, social, or creative value? Does it offer a meaningful or original player experience? Future development plan)	25	25
